This announcement is made by the board (the “**Board**”) of directors (the “**Directors**”) of Time Interconnect Technology Limited (“the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The Board would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the Group’s unaudited consolidated management accounts for the year ended 31 December 2025 (the “**Current Year**”) and the information currently available to the Board, the net profit of the Group for the Current Year is expected to record an increase in the approximate range of 60% to 70% as compared to the net profit of the Group for the year ended 31 December 2024 (the “**Previous Year**”) as disclosed in its 2024 annual report. The Group considers that such increase was primarily due to (i) the increase in the Group’s revenue as driven by the increase in sales orders from data centre in cable assembly sector and server sector; and (ii) the increase in share results of associates, net during the Current Year.

The Company is still in the process of finalising the annual results of the Group for the Current Year. The information contained in this announcement is only based on the Board’s preliminary review and assessment with reference to the information currently available to it and the Group’s unaudited consolidated management accounts for the year ended 31 December 2025, which have not been reviewed or audited by the Company’s auditors nor reviewed by the audit committee of the Company and are subject to finalisation and potential adjustment(s). Accordingly, the actual results of the Group for the Current Year may be different from the information disclosed herein. Details of the Group’s financial performance will be disclosed in the annual results announcement of the Group for the Current Year, which is expected to be published before the end of March 2026.
